What’s New at CIAP???

- CIAP & ARCHI Password Change—on the 30th April 2009 the password will change to ensure continued security. The new password will be available from the Library after 10th March - please ring 4634 - 3944 for the New Password for Macarthur or Bowral. Both passwords will be operational till 1st May.

- Medical Journal of Australia (MJA) - Recently MJA moved from free access to a subscription model. CIAP has now acquired a subscription to MJA so there should be no problems in access to this journal.

- CINAHL Plus—minor enhancements
  The default setting for displaying searches will now show the most recent articles first
  After running a search, the find field will automatically clear for a new search
  Ebsco have increased the maximum amount of citations that can be exported into EndNote to 10,000

- New Tutorial “About CIAP - An Overview of CIAP Resources” from under “Quick Links”. This tutorial will give a an overview of all CIAP Resources from MIMs to e-journals & e-books through an interactive Power Point Slideshow. An accompanying PDF handout is also available through the “Userguides & Tutorials” link.

ATHENS IS COMING IN 2009!!

Athens will allow access to electronic journals to all staff. Currently access if only available to staff with internet access or through library PCs.

Once registered you will be able to access all of the ProQuest—Health & Medical e-journals (over 800 titles) plus many others such as Asia Pacific Journal of Human Resources, Aust & NZ Journal of O&G & Progress in Palliative Care.

We are currently working on implementation of Athens so watch this space for the Launch!!!
