**WHAT’S NEW AT CIAP?**

**NEW! CIAP Online Education Modules 2 & 3**

CIAP eLearning Modules 2 & 3: *Locating Evidence and Searching for Evidence* are now available on the CIAP Education page.

These education modules provide the essential foundation skills to support staff develop the expertise and knowledge they need to use the best available evidence in practice.

*Locating Evidence* is designed for the novice database searcher. This introductory module covers essentials such as selecting the most appropriate database and building a search strategy.

*Searching for Evidence* is designed for database searchers who wish to refine their searching skills. The module features video clips and online tutorials that illustrate the use of both Basic and Advanced Search modes on the Ovid databases.

**Focus on... PAEDIATRICS**

From March 2013 CIAP NEWS

CIAP contains a large range of books and journals related to paediatric topics. To access click on either Online Books or Online Journals from the left menu on the CIAP Homepage.

Some of the titles included are:

There are also a number of resources for clinical conditions related to Paediatrics:

**PEMSoft** - an Australian clinical assessment tool providing information for acute & chronic illness.  
**BMJ Best Practice** - provides information for a range of diseases and conditions. Click on the tab “Paediatrics and Adolescent Medicine” under “show conditions” to view 160 different paediatric conditions.

**BNF for Children** - provides information related to the administration of medicines to children.  
**Cochrane Library** - includes the Database of Systematic Reviews, where Child Health is the largest topic covered with over 1500 paediatric systematic reviews.
NEW Online Resources available through the Library Catalogue

These e-books and reports from the Australian Institute of Health and Welfare can be accessed through a link on the Library Catalogue from work or home:

- Australian Hospital Statistics 2011-12: staphylococcus aureus bacteraemia in Australian Public Hospitals.
- Cervical Cancer and Safety Monitoring Guidelines.
- Dental Workforce - 2011.
- Medical Workforce - 2011.
- A Snapshot of Juvenile Arthritis.

Myths & Truths about Library Services

Myth: Quality of Patient Care is Unaffected by Library Services

Truth:

"Research has shown that Libraries improve patient care"

Weightman, AL (Health Information and Library Journal. 2005 22(1) p. 4-25)

Research studies suggest professionally led Library Services have an impact on health outcomes for patients and may lead to time saving for health-care professionals...
