ARCHI - Australian Resource Centre for Healthcare Innovation

Promoting the dissemination of resources related to innovative health care delivery in the community and hospital setting ARCHI has a New Look.

Need information on workforce, the Patient & Carer Experience, Primary Health Care, Models of Care or Quality & Safety.

ARCHI shares project information across the NSW Health Networks. If you have a project or program which has improved health care delivery and you would like to share with others—from the “About Us” Tab select the “Contribute to ARCHI” & complete the attached form.

Have you or are you completing a PHD?
The Library would like to add a Copy of your Thesis to the Macarthur Archives

Adding your Thesis to the Library Collection provides an invaluable source of information for future Library patrons searching for information to complete their own project, study or patient care.

We also love to receive project reports, studies or research reports to add to the Macarthur Archives Collection. If you have anything in print or electronic format to add to the collection please ring the Library Manager on 4634 - 3941.

See you All in 2011...
