

Pronouns

e.g. she/her; he/him;
they/them

My role today

e.g. carer/person with lived
experience/subject matter
expert

[insert language] interpreter

I like to communicate:

e.g. verbally/non-verbally/signing/AAC device

I find it easier to understand others when:

e.g. they write things down/they speak slowly/they pause

You can help me communicate by:

e.g. making eye contact/using communication cards
