2026 Orientation Information Liverpool Hospital

Facility Orientation

The half day Facility Orientation session provides an introduction to Liverpool Hospital and covers essential components and mandatory training. In this session guest speakers provide new starters with an overview on key information around Liverpool Hospital policies, processes and operations.

To register: New staff members can register for Liverpool's Facility Orientation through My Health Learning (MHL), course code **COM12185**

For all enquiries regarding facility orientation, please contact Liverpool HR via SWSLHD-LiverpoolHR@health.nsw.gov.au.

Nursing & Midwifery Orientation:

An additional half day orientation program is facilitated for Liverpool Hospital Nursing & Midwifery staff.

You can enrol in a relevant class via My Health Learning (MHL) Code: **COM12212**
