

Health Beyond Research & Innovation Showcase 2023 Information – registrations closing soon!

Are you interested in hearing about the outstanding work of South Western Sydney Local Health District and the ground-breaking research that has transformed health care nationally and globally?

The Health Beyond Research & Innovation Showcase is back bigger than ever, returning for a full week from 4-8 September 2023.

This year's theme is "Imagination Fuels Innovation" and throughout the week, presentations will be hosted across District facilities and services, culminating in a full day event on Friday 8 September at the William Inglis Hotel – Mgallery by Sofitel with renowned guest speakers, a networking lunch and a networking event after the Showcase, sponsored by UNSW.

Registrations close 24 August, don't miss out! Register now:

2023 Health Literacy Seminar 'Spotlight' Series

Many of you are already familiar with health literacy guidelines, but may not be aware of guidelines for accessibility and supporting communication with people who have disabilities. This series will explore how these two fields overlap and what we can do to include accessibility in our health communication. Across three seminars our expert panels will:

- Discuss strategies for written, digital, and face-to-face communication
- Reflect on the relationship between health literacy and accessibility guidelines for each of these communication areas
- Point to practical resources to help make your services more inclusive and accessible

Date: Tuesday 28th August, 2023

Time: 11:00am-12:00pm

Format: Zoom (with Q&A)
