

# Wig Service

SWSLHD Cancer Services – Liverpool Hospital

**The Wig Service is run by volunteers and is open to cancer patients who will lose their hair during the course of their treatment. Personal appointments are available to fit the wig and provide education on maintaining the wig. The cost of this service is a donation.**

For most of us so much of our identity and how we feel about our looks is tied up in our hair. Having a range of wigs and a friendly safe environment for women to come and try on some wigs can help them feel good about themselves. The service also has a range of hat's and head scarves and ideas for how to wear them in a fun way. Looking good can improve your confidence.

## WHEN:

Tuesday afternoon

## TIME:

2.00 – 4.00pm

## COURSE DURATION:

Fortnightly on a Tuesday.

## CONTACT:
