Dear Colleagues,

We welcome you to attend the 24th annual SWAN Trauma Conference with a superb world renowned international faculty from across the globe and a national faculty of trauma experts.

This year we will have interesting, engaging and provocative talks, debates, interactive case scenarios and keynote addresses. Conference highlights include:

- Challenges in the Emergency Room
- Critical Aspects of Managing the Elderly
- Trauma Centre Volume and Performance
- Community Education and Awareness
- Critical Aspects of Managing Children
- Rural and Remote Challenges
- Trauma Operative Surgery
- Critical Care Complexities
- Quality and Safety in Trauma Care
- Interactive Trauma Case Scenarios
- The Annual Great Debate

New to this conference and for our valued delegates is the option of staying at our preferred Sydney city hotels by our glorious harbour with transport to the venue each day included in their package.

This is a great opportunity to attend Australia’s leading trauma conference right in the place where it all happens, Sydney’s largest and longest standing trauma centre.

Join us for two days which will promise to be gripping, captivating and exciting. This conference will bring you up to date with the latest and greatest trauma management principles.

Dr Scott D’Amours
Conference Convenor

CALL FOR ABSTRACTS AND PRESENTATIONS

Open for Submission - February 1st 2016
Closure of Submissions - May 31st 2016

Successful candidates will be notified on 6th June 2016

Abstract submissions and enquiries: swanabstracts@gmail.com

The Program Committee invites submission of abstracts for presentation at its meeting. These submissions will contribute to the educational content of SWAN and be relevant to the management of the multiply injured patient. The audience will include surgeons, emergency and critical care physicians, radiologists, paramedics, nursing and allied health professionals.

Evaluation will be based on quality, clarity and relevance to the speciality of trauma care, as well as the significance of the material, as judged by the Abstract Review Committee.

Awards will be given for the best scientific papers and posters.

Please note: These requirements apply to all submissions.

- All work must be original and unpublished. No materials should be submitted that have been previously published.
- All persons whose papers are accepted by the Abstract Review Committee for presentation must be paid registrants and be present at the conference. In the event an alternate author is sent to replace the original presenter, SWAN Secretariat must be notified at least 4 weeks prior to the meeting.
- Each author is limited to the submission of TWO ABSTRACTS as the primary author.
- Oral presentations will be 10 minutes each with 2 minutes for questions.

ABSTRACT CONTENT

- The title should be short and succinct; and abstracts should contain four sections: objective / introduction; methods; results and conclusions
- Abstract text should be 250 words or less
- The abstract title, authors’ names with degrees, and hospital or institution affiliation must be written clearly (these are not included in the 250 word count).
- The author submitting the form will be considered the presenter unless otherwise noted.
- Do not include tables, diagrams, or graphics with the text. All data must be in narrative form.

POSTER REQUIREMENTS

Instructions for poster presentations
- Size: 85cm x 110cm
- Text to be readable from approximately one metre
- Illustrations/images can be included
- Velcro hooks for attachment to display boards
