

HEALTHY URBAN DEVELOPMENT ADVICE

Use the information you have recorded on the Checklist Summary Form to assist you to complete this written advice. This HUD Advice form is intended to help with both organising your thoughts and providing some structure to written comments. The extent to which this format is followed is dependent on the type of policy, plan or proposal being reviewed and the preferences of the user.

1. Based on your analysis, from a health perspective, would the community be better or worse off if this policy, plan or proposal were to proceed?

--

2. What do you see as the key health effects (positive and negative) of the policy, plan or proposal?

Positive	Negative

3. Are there groups that are more disadvantaged or advantaged than others by this policy, plan or proposal?

--

4. What are the priority health issues, key recommendations and supporting evidence? Use the table over the page if necessary.

--

Key health issues	Recommendations	Supporting evidence	Level of evidence ¹

5. Are there broader issues or cumulative impacts that this policy, plan or proposal raises that should be brought to the attention of planning authorities so they can be considered in future policy making?

¹ See Table 1 on page 6 of National Health and Medical Research Council, NHMRC Additional Levels of Evidence and Grades for Recommendations for Developers of Guidelines: Stage 2 Consultation Early 2008 – end June 2009, http://www.nhmrc.gov.au/_files_nhmrc/file/guidelines/Stage%20%20Consultation%20Levels%20and%20Grades.pdf
