Abstract. This section should mirror a journal article submission. The abstract should consist of a single paragraph containing no more than 250 words. It should be a summary of the paper and not an introduction. Because the abstract may be used in abstracting and indexing databases, it should be self-contained (i.e., no numerical references) and substantive in nature, presenting concisely the objectives, methodology used, results obtained, and their significance. It may be divided into sections including; **Introduction, Aim, Method, Results, Conclusion.**

Keywords: optics, photonics, light, lasers, templates, journals. (6 key words)
