

New Ambulance Access powering on.

The final stage of the early enabling works is into its final phase a NEW ambulance ramp and access to the Emergency Department, wow and what a structure it is.

What has happened in the last 2 months ?

- ◆ We received an extra \$15 million to take the total capital budget to \$65 million.
- ◆ NEW Emergency Department has been reinstated into the Redevelopment due to the extra funding.
- ◆ Clinical Design meetings for all clinical areas attended and nearing completion.
- ◆ On campus wayfinding has been reviewed and changes attended to assist all visitors to our campus.
- ◆ Staff Roadmap workshop to outline the vision and journey for the future.

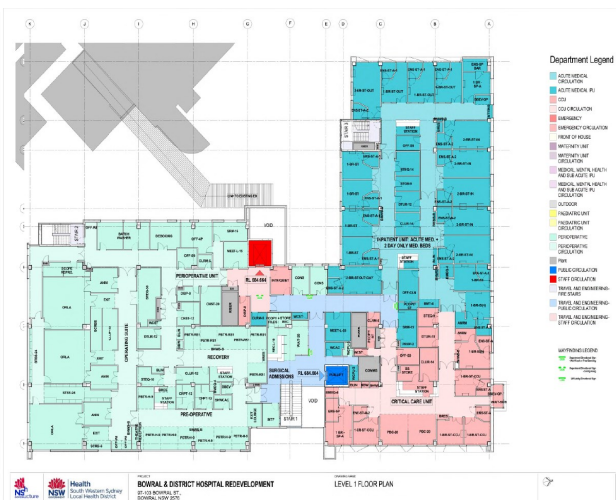

NEW Ambulance Ramp under construction

Where to next?

So our new \$65 million project continues with extended enabling works, more staff and consumer engagement and ongoing planning to ensure your hospital meets the needs of our community.

We would like to extend a **HUGE** thank you to all our staff and consumers that have given up their valuable time, evening coming in, while on days off to help contribute their ideas, expertise and amazing enthusiasm into our project.
