

## Mona Rd complete, and work continues.

The early works for our hospital redevelopment have moved into the next phase, NEW ambulance entrance and access. Mona Rd entrance and car park is completed and operational. This has improving access, lighting and egress within this section of our campus.

## What has happened in the last 2 months ?

- ◆ Clinical Information department remodel complete.
- ◆ Detailed Clinical Design meetings in all areas underway.
- ◆ Ongoing staff and community updates attended.
- ◆ New pedestrian access for Emergency Department constructed and operational.
- ◆ Ongoing parking reviews
- ◆ Schematic Design and Artist impressions uploaded to the Redevelopment Website

## Where to next?

Our \$50 million project continues to complete all enabling works so the much anticipated official commencement of the **NEW Clinical Services Building** starts. We would like to thank you all or your ongoing co-operation and patience as we build your new hospital. We are committed to keeping all informed of the exciting progress
