

Access to Complementary integrative therapy programs

- Complementary integrative therapies are available to all patients and carers of South Western Sydney Cancer Services.
- Our therapies are available to **all** patients on active treatment
- The programs are accessible for up to 6 months after treatment.
- Bookings are essential
- If you are unable to attend an appointment, please advise us at least an hour before, so we can offer the service to someone else.
- Carers can attend programs but priority is given to patients
- Programs are free, but we encourage a donation to enable us to continue some services.
- For all bookings and Enquiries for Liverpool or Macarthur:

📞 **02 8738 9853**
