Review of program	June 2021

4. Deliverables & Timelines

Name (Examples below)	Date
EOI issued:	1st December 2020
EOI closes:	18th December 2020

Evaluation Criteria

Selection will be based on the completion of the Respondent's submission to this EOI, especially its ability to meet fully the Statement of Requirements.

The Evaluation Panel will assess submissions in accordance with the evaluation criteria specified below:

- *Demonstrated experience in developing a successful cancer rehabilitation program*
- *Demonstrated skills and experience in the area of cancer rehabilitation*

Following the selection of the preferred Suppliers, SWSLHD may or may not consider any Alternate Offers provided by that Respondent in its response to this EOI.

Contract Management

- *All communication will be via phone or email to the Integrated Oncology Programs Manager*
- *The Integrated Oncology Programs Manager will Schedule regular onsite meeting / visits*
- *Willing to collect patient feedback and data.*
- *Willing to collect PROMS via ESAS and FACT-G*

Validity Period

The Respondent's submission is to be valid for three (3) months from the lodgment/closing date.

Respondents are to note that its submission to this EOI is made at its own cost, and that SWSLHD, whilst making the EOI in good faith, is not obliged to proceed with this project.
