Date: Monday 4 July 2011

We want your wool

The Liverpool Hospital Auxiliary needs your wool. They are calling for wool donations to knit blankets, booties, mittens and baby clothes which are then sold to raise funds for Liverpool Hospital.

With winter upon us, the Auxiliary is calling for donations now so they can get knitting and get selling.

Any type or colour of wool will be accepted.

In the last year, the Auxiliary has purchased such equipment as an ultrasound machine, humidicrib, a bladder scanner and a dialysis machine.

Goods can be donated or purchased at the Auxiliary stall in the Hospital front foyer from 8am to 2pm, Monday to Saturday.

For more information call 8777 5225.
