A hair-raising donation.

The John Richard Kuhlmann Foundation has donated \$15,000 worth of wigs toward supporting cancer patients who have lost their hair during treatment. The foundation has also pledged almost \$2000 toward a massage table and \$50,000 to supporting the Wellness Centre and its patients.

Liverpool Hospital's 'Wig Library' has also been renamed to the 'Wig Service'. Part of the change also encompasses an expansion of wig supplies for cancer patients who have lost their hair during treatment.
