Bowel Cancer Support is available

If you live in the Macarthur area and have been diagnosed with bowel cancer, support is available.

The Macarthur Bowel Cancer Support Group meets each month, providing friendship, informed discussions and engaging guest speakers to talk on topics such as diet and exercise, meditation and relaxation.

People who have or have had a diagnosis of bowel cancer and their carers or partners are welcome.

The next meeting will be on Monday 7th August at 7pm in the Wests Leagues Club Acacia/Eucalyptus Room.
