

Gradstart and Midstart Program

Bankstown-Lidcombe Hospital

Bankstown-Lidcombe Hospital was originally comprised of two individual hospitals (Bankstown and Lidcombe Hospitals) until they merged into one facility at the Bankstown site in 1997.

Bankstown-Lidcombe Hospital is a principal referral hospital and has tertiary affiliations with the University of NSW, University of Sydney and Western Sydney University. It provides a wide range of general medical and surgical services and some sub-specialty services to the local community.

Clinical services include emergency medicine, cardiology, cardiac interventional suite, a variety of surgical and medical specialities, a diverse peri-operative and endoscopy service, stroke care and stroke rehabilitation, cancer therapy, intensive care and high dependency units, maternity, gynaecology, special care nursery and paediatrics, mental health, drug health, renal services, rehabilitation, aged care, psychogeriatric older persons behavioural unit and imaging services
